Nipawin Embroidery & Design Ltd

Dear Christa Payne:

Through the adoption of the **COVID-19 WorkSafe Course** offered and sponsored by WorkSafe Saskatchewan within the SkillsPass™ platform, Nipawin Embroidery & Design has shown a progressive and committed effort in combating the spread of the virus, while simultaneously helping to protect your employees, customers, and your corporate reputation.

In achieving your status as a WorkSafe Leader, we are pleased to provide you with your COVID-19 WorkSafe Leader digital decal that you can display proudly within your organization to show your commitment to COVID-19 workplace safety. This digital decal can also be easily added to your website, social media postings, and print materials (e.g., flyers, posters, brochures, etc.) to further promote your leadership in the community.

On behalf of WorkSafe Saskatchewan, I want to again thank you for your commitment to mitigating the risks of COVID-19.

Yours sincerely,

Annette Goski
Director, Prevention
